

SUNFLEX 032N - BLUE

Oil Resistant Heavy Duty Hose

Applications:

Heavy Duty Suction And Delivery Of Petroleum And Petroleum Derivaties Except For High Aramotic Content Solvents. Particularly Suitable For Fuel, Diesel And Lubricating Oils, Parafin, Hydraulic Fluids And Non Edible Oils.

Structure	: Rigid PVC White Spiral - Dark Blue PVC Wall : Made Of Special Oil Resistant Compound.
Tolerances	: +/- 5%
Internal Diameter	: +/- 2%
Working Temperature	: Static Conditions: -20°C To +65°C : Dynamic Conditions: -5°C To +43°C

Part No	Internal Diameter		Working Pressure	Vaccum	Bending Radius	Coil Length	Hose Weight
